

 MAY 
SUMMERS
PERKINS

Hello, howdy, hey, let me introduce May!
Founder of May Summers-Perkins Illustration.
An illustrator from The New Forest, Uk.

Graduated from the Arts University Bournemouth with a
First Class BA (Hons) in Illustration and a distinction in a
Foundation diploma in art & design.

Being an avid pattern designer and typography lover, I take
pride in producing greetings cards for people to share intimate
moments in their lives. I enjoy taking inspiration from nature
and the surrounding area here in The New Forest and South
coast.

My designs are created using a fusion of hand rendered and
digital techniques. My portfolio range is growing rapidly,
meeting customer demands for specific bespoke themed cards.
My unique style and use of a vibrant colour palette, catches
the eye and stands out against competitors when on display
together in store.
